

GD Cologne Party Manifesto

“Make Britain Bosh Again”

Our values

We believe in an equal land for all, which gives everybody an opportunity to live their best lives in the way that they want to*. Therefore, our policies are 100% based on the interests of British Citizens and not foreign nations.

**Excludes people who didn't vote for us*

Our stance on Human Rights

lol

Our democratic values:

- If we get elected to power, we will preserve your right to vote for anybody you want (the ballot will only have 1 option)
- Freedom of Speech is a very important part of our democracy. However, we do not believe in freedom after speech, and you will be arrested and deported if you disagree with us.
- We believe in a right to protest. That's why any protests will be considered, and mass arrests will take place in order to give the protesters a quiet 6x8 foot room to protest in for life.

Policies

- Abolish the BBC, Sky News, The Sun (the scum) and other legacy news outlets, and replace them with GD Cologne TV, which is a government ran news outlet that will be controlled by us.
- We will start stealing oil from Israel. This will drive down the oil prices and inadvertently cause Israel to run out of oil, so they stop killing innocent civilians.
- Remove Chesterfield off the map.
- Announce £100 billion pounds of funding to Nottingham in order to rebuild the entertainment capital of the United Kingdom. Funding things like Notts County FC, The Nottingham Racecourse, Nottingham Panthers, The Cricket and the Darts.
- Relocate Nottingham Forest to Slough. Call it Slough Forest. Only one club in Nottingham.

- Get rid of every councillor that isn't a GD Cologne Party member and replace them with GD Cologne Party members.
- Make Tesco Meal Deals £3 and make it illegal for a Tesco to run out of Southern Fried Chicken sandwiches.
- Lower the bus fare cap to £1.50 for adults and £1 for children.
- More funding towards train companies with incentives to cut rail fares by upwards of 60%, allowing for cheap rail travels.
- Rail Fair Evasion is punishable by £100 fine for first offenders and then 2nd offenders will be beheaded.
- Have a country capacity of 80 million. Meaning we track every single soul who is in the country and not allow anyone to enter if we have hit capacity. If they do try to enter they will be shot.
- Alton Towers must run Nemesis Reborn on 4 trains, more block zoning on the lift hill to support multiple trains whilst maintaining safe operations.
- ALTON TOWERS MUST REFURBRISH OBLIVION RIGHT NOW SO ITS MORE FUCKING RELIABLE
- Any club that defeats Notts County FC in a competitive league match will cease to exist.
- If a player is wanted by Notts County they must play for them for a minimum of 5 years or risk being arrested for life.
- Tougher on crime, death penalty for severe crimes such as Murder, Sexual Assault Offences, Sexual Exploitation of minors, exploitation of minors, watching TV without a TV licence and death caused by dangerous driving.
- Driving like a knobhead will get you in prison for life. This includes driving 40 on a 50.
- Turn Chesterfield FC's stadium into a massive prison, along with Nottingham Forest's ground, Mansfield's ground, The Hill Dickinson, Old Trafford, The Etihad, The Emirates Stadium, Tottenham Hotspurs Stadium and Goodison Park.
- sack arne slot
- Give police guns because I think that would be quite fun.
- Every year on the 21st March from 7pm to 22nd March 7am, there will be a purge. People can do whatever they want, all rules and laws go away (except for those protecting the government lol)

- Make it an Mi5 and Mi6 mission to find every single soul on the Epstein Files and execute them.
- Free Diddy
- Arsenal banned from winning trophies.
